

”Love Story of the Heart“ by Manish Arora

<<<

In 2009, Delhi-based, award winning designer Manish Arora created a memorable collection of crystalline Transfers. Now India’s best loved and most prolific design talent renews his partnership with SWAROVSKI ELEMENTS by creating a special collection of heart-shaped crystal pendants. Each individual piece is an expression of love’s different emotional state and is named accordingly. Manish Arora has worked creatively with SWAROVSKI ELEMENTS since the beginning of his international career. The partnership is symbolic of how Swarovski engages in mutually rewarding creative partnerships with the world’s best and brightest design spirits.

“The heart shape is very close to me because it is the universal symbol of love. I wanted to bring this symbol to life by creating a collection of crystal pendants and I hope people will wear them as a personal expression of the beauty and purity of this emotion,” Manish Arora
